- Exclusive access to investor alerts, updates, and webinars
- Free World Pork Expo admission and parking
- Networking with policy leaders
- Opportunity to apply for Washington, DC trips
- Exclusive scholarship opportunities
- Communications and advocacy trainings

WHAT WE DO

NPPC is committed to shaping the future leaders of our industry into empowered advocates. Through the unique intersection of pigs and policy, the Young Pork Advocates Strategic Investment Program SIP will equip you with the tools to become knowledgeable about current issues, strengthen your network, and advance your career readiness within the pork industry.

INVEST IN YOUR FUTURE

For a discounted rate of \$50, invest in yourself and the future of the pork industry.
